

## COVID-19 UPDATES

~MAY 8, 2020~

### Protecting Older Adults from COVID-19

Many families in our community have older adults living in their home or family members with medical conditions. It is important to take precautions to protect the most vulnerable individuals in our community from serious illness due to COVID-19.

Even if you don't have older adults living in your home, you could unknowingly come in contact with someone who does or someone that works in a long-term care facility, and that person could potentially take the infection to a large number of high-risk individuals.

# **MADD Loudoun Virtual Walk & On-Line Auction**

## **May 16, 2020**

Loudoun's annual 5K non-competitive Walk and Silent Auction Fundraiser (Walk Like MADD) will have some new twists this year due to the COVID-19 pandemic.

This year's auction will be done on-line. There is a reason that this year's event is being modified rather than being cancelled. While the pandemic has caused a curtailing of many activities, even during it the crime of impaired driving is proving to be an ongoing threat to our community.

**Saturday May 16 at 9:00 am:** Opening Ceremony (including the Star-Spangled Banner, loosening-up exercises, etc) (via Zoom)

- Following the Opening Ceremony, at approximately 10am, the virtual walk will start in all participants' respective neighborhoods. In light of the virtual nature of the event, should the weather on Sat May 16 be undesirable for walking, feel free to then do it on Sun May 17!

**Sunday May 17 at 4:00 pm:** Closing Ceremony (including the recognition of Victims, event teams, funds raised and awards (via Zoom)

***The on-line auction is already in progress.*** Register to take part in Walk Like MADD 2020 and you will receive an invitation to be a part of it!

Please contact Susan Cleveland ([703-470-1053](tel:703-470-1053) or [maddloudoun@aol.com](mailto:maddloudoun@aol.com)) with any questions.

The county continues to encourage everyone in the community to take steps to limit the spread of COVID-19, which include:
